

- At least 1 expert in NAM approaches and NAM data retrieval and analysis with at least 5 years of experience;
- c) The team of experts must have overall/each expert individually an excellent level of spoken and written standard UK English. For non-native speakers, this should be demonstrated by an Official certificate of English proving a C1 level OR at least 3 years of work in an English-speaking environment;

The tenderer must have the following **minimum technical capacity** to perform the contract:

- d) The tenderer must have a proven record demonstrating high-level expertise in data analysis and database management;
- e) The tenderer must have a proven record demonstrating high-level expertise in toxicology and chemical risk assessment;
- f) The tenderer must have a proven record demonstrating expertise in read-across and the use and interpretation of NAM data.

Evidence requested in the offer:

- **Requirement a):** At least three projects or scientific publications related to requirements a, carried out in the course of the past 5 years and demonstrating high-level expertise in data analysis and database management, in toxicology and chemical risk assessment and in read-across and the use and interpretation of NAM data;
- **Requirements b) and c):** Detailed CVs of the Project team members proposed for the assignment. EFSA strongly recommends submitting the CVs in the EU CV format which can be accessed [here](#);
- **Declaration on Honour on selection criteria** available [here](#). To be signed by the tenderer (in case of joint offer signed by the leading partner only);
- **Confirmatory statement of resources** (*only applicable for joint offers or offers with subcontracting*): a statement signed by each partner/subcontractor confirming they will provide the necessary resources for the performance of the contract;

C) Professional conflicting interest

In accordance with article 167(1)(c) of the Financial Regulation and paragraph 104 of the recitals, if EFSA, based on the assessment of the technical and professional capacity evidence, concludes that the tenderer has a professional conflicting interest and therefore does not possess the professional capacity to perform the contract to an appropriate quality standard, the tenderer may be rejected.

Evidence requested in the offer:

The tenderer proposed for contract award will be requested, prior to and as a condition of contract signature, to provide:

Institutional declaration of interests available [here](#) In case of a group of economic operators and/or in case of subcontracting, such declaration will need to be completed separately and submitted for each partner and for each identified subcontractor and;

Individual declarations of interests available [here](#) for each member of the proposed project team.
