12. Taxes and other charges

The applicable tax and customs arrangements are the following:

The European Commission and Montenegro have agreed in the Framework Agreement to allow full exemption from taxes, customs and import duties and levies and/or charges having equivalent effect.

Please refer to the Article 28 of the Framework Agreement between the Government of Montenegro and the European Commission on the arrangements for implementation of Union financial assistance to Montenegro under the Instrument for Pre-Accession Assistance (IPA II) (Official Gazette of Montenegro No. 05/2015).

The procedure for exemption from VAT shall be under the jurisdiction of the Ministry of Foreign Affairs (MFA) and the Public Works Administration (PWA) as the Contracting Authorities (CA) for the relevant programmes.

MFA and PWA shall be the Competent Authorities for the VAT exemption procedure. Based on the submitted application for exemption from VAT by contractor, Competent Authority shall issue a certificate for exemption from payment of VAT, to be submitted to the contractor and tax authority within 5 days.

The contractor shall then submit the invoice(s), which have been previously exempt from VAT, to the CA for further processing.

The contractor shall keep records on the delivery of products or services, and execution of works covered by the tax exemption.

13. Additional information before the deadline for submission of tenders

The tender dossier should be so clear that tenderers do not need to request additional information during the procedure. If the contracting authority, on its own initiative or in response to a request from a prospective tenderer, provides additional information on the tender dossier, it must send such information in writing to all other prospective tenderers at the same time.

Tenderers may submit questions in writing to the following e-mail address up to 21 days before the deadline for submission of tenders, specifying the **publication reference and the contract title**: ujr@ujr.gov.me.

The contracting authority has no obligation to provide clarifications after this date.

Any clarification of the tender dossier will be published on TED eTendering accessible from the F&T portal at <https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/home>
